About the Financial Planning Association of Los Angeles (FPALA)

The Financial Planning Association® (FPA®) is the leadership and advocacy organization that connects those who need, support, and deliver financial planning. FPA's nearly 100 U.S. chapters represent over 23,000 members nationwide. With over 250 members in the local Los Angeles market alone, the FPA is the definitive community of advisers that fosters the value of financial planning and advances the financial planning profession in our area.

The FPA of Los Angeles offers local events, including monthly Educational Meetings, Quarterly Career Development, Social, and Pro Bono Meetings throughout the Los Angeles Area, where our Partners can showcase their products and services to our members.

Facts About Our Members

1. The FPALA Chapter is one of the largest chapters in the nation. Over 60% of FPA members have remained members for more than five years and more than 35% can claim 10 years or more of membership.
2. Most of us are Financial Planners. Two thirds of current members are practicing financial planners.
3. FPALA is dedicated to the continued advancement of the profession, with nearly 20% of members comprised of students, educators, and planners new to the profession.
4. We represent a diverse set of organizations. Approximately 16% of FPA members work in wirehouses or regional broker/dealers. 56% of FPA Financial Planning members work as Registered Investment Advisers (RIAs). Other members are either dually registered or in the case of educators and students, generally not registered.
5. We are highly educated. 99% of members (excluding student members) have earned a Bachelor's degree or higher, with 42% of members having earned a Master's degree or higher.

Tips to Maximize Your Partnership

- ✓ Let us know who you would like to develop relationships with. The FPALA board stands ready to assist with **personal introductions**.
- ✓ **Raffle items** (iPad, golf bag, wine...) via a sponsored fishbowl at Bi-Monthly meetings. You are welcome to provide pre-approved items and collect opt-in information via these opt-ins. Then follow-up with members as you work to build & deepen relationships over time. You may also award items based on 'best-answer' to a knowledge-based question you pose to members who have provided a business card.
- ✓ **Sponsor social outings** to continue developing lasting relationships. Costs are \$500 per event to the chapter, plus hard costs. FPALA can provide event suggestions: bowling night, business breakfast, movie premieres, go-carting, Scotch tasting, Annual Member Family Picnic, etc.
- ✓ **Sponsor practice-management events** or provide a value-add service (e.g., hosting a 'Social Media Photo-Refresh Day' where members can have headshots taken for social media & LinkedIn profiles). Costs are \$500 to the chapter, plus hard costs.
- ✓ Sponsors are encouraged to **socialize regularly with members** at happy hours following the meetings, & to attend chapter meetings on a regular basis.
